

## Showhunter Teams Championship

### Foxton Racecourse 2019 Yarding Plan

**On Entry your Yarding will be on your left- PLEASE PARK CAREFULLY AND IN YOUR CLUBS AS THIS WILL HELP THE HORSE MANGEMENT JUDGES.**

Teams have been allocated yarding numbers which are marked clearly on the yards. Please beware many of your yards are back to back. **You may need to bring extra rope and tape to put around them as it may be possible for little ponies to get out under them.** Remember your pony/Horse should have ID tag on it at all times. **Each team has been located 8 Yards and one covered yard.**

**Yard Area:** This is an indication only of approximately where your yards are and is shown on the "Foxton Map" in red boxes. An accurate map of yard numbers is not available.
